

Seagulls Screaming Kiss Her, Kiss Her

[XTC](#)

It's raining on the beach
She inches close but out of reach
The waves look painted on
Seagulls screaming The sea is warship gray
It whispers, "Fool" then slides away
Black coastline slumbers on
Seagulls screaming kiss her, kiss her And all the flags that flap on the pier
Spell why on earth do you want
The fog hides much but one thing is clear
She's nearer Dead deck chairs under shrouds
And life belts gape like minstrel mouths
Her hair still smells of salt Seagulls screaming kiss her, kiss her
Kiss her, kiss her, kiss her, kiss her
He who hesitates is lost If you want her, you should tell her
Take her by the hand If you hesitate
If you wait, November wins her, November will win her
She returns to sand so get a hold of the girl I say, I like your coat
Her thank-you tugs my heart afloat
I nearly didn't hear for
Seagulls screaming kiss her, kiss her He who hesitates is lost
