

Won't Let Me Go

Amos Lee

Been some time since the first night I saw you
Had some good, had some bad times since then
And through all of these moments that I've gotten to know you
I realized now that I wanna be a little bit more than your friend And I wanna know if you wanna get together
Stay for a while, we can talk about it all
I wanna know 'cause this feeling won't let me go Stood around, while you dated that old fool Marcus
Whole time I knew he wasn't no damn good for you, well
Yes, it's true sometimes I know that we can all be a little heartless
But tonight, all I wanna do is make sweet love to you And I wanna know if you wanna get together
Stay for a while, we can talk about it all
I wanna know 'cause this feeling won't let me go Well, all those wasted nights you spent
Well, just crying all those tears
Well, I want you to know, girl
I'm around, yeah, I'm here, alright, alright I wanna know if you wanna get together
Stay for a while, we can talk about it all
I wanna know 'cause this feeling won't let me go (Yeah, I wanna know)
I wanna know, I wanna know, I wanna know
(I wanna know, I wanna know, baby)
I wanna know, I wanna know, I wanna know
(Yeah) I wanna know, I wanna know, I wanna know
(Oh, this feeling, no, it won't, no, it won't let me go)
I wanna know, I wanna know, I wanna know
(No, it won't, baby, it won't let me go)
I wanna know, I wanna know, I wanna know
I wanna know, I wanna know, I wanna know
(Yeah)
