

What's Inside

[Sara Bareilles](#)

Sugar, sugar, sugar, butter

Sugar, butter, flour

Sugar, butter, flour

Sugar, butter, flour My hands pluck the things I know that I'll need

I'll take the sugar and butter from the pantry

I add the flour to begin what I am hoping to start

And then it's down with the recipe and bake from the heart What's inside, everyone wants to know what's inside

And I've always told them, but I feel something needs to change You wanna know what's inside?

I could tell you if I wasn't hiding

My whole life is in here

In this kitchen, baking

What a mess I'm making
