Lost Him In the Sun

Nanci Griffith

Any given day, there's a jet flying somewhere
Oh, we bought a ticket and vanished in the sky
And how was I to know he was leaving in the morning
I never heard him go and then he never said goodbyeAnd I've learned to love the night 'cause the light's gonna get ya
Right between the eyes in the morning like a gun
And reaching out your hand and he's not there beside you
Oh, what can I say, I lost him in the sunHey and what have I done?
I lost him in the sun
Yeah, I lost him in the sunKnow I lost him in the sun
I know I lost him in the sun
Yeah, I lost him in the sun
Yeah, I lost him in the sunFire up your hearts 'cause the wind is getting cold
Now it always get cold for the riders of the night
You can carry that scar like you know what lonely is
And looking for a home like the bird, like a bird in flightOh, and what have I done?
Yeah, I lost him in the sun
Yeah, I lost him in the sunKnow I lost him in the sun
I know I'd lost him in the sun
Oh, I'd lost him in the sun
Yeah, I lost him in the sun
Yeah, I lost him in the sun
