

Tonight

Lykke Li

Watch my back so I make sure
You're right behind me as before
Yesterday the night before tomorrow
Dry my eyes so you won't know
Dry my eyes so I won't show
I know you're right behind me And don't you let me go, let me go tonight
Don't you let me go, let me go tonight
Don't you let me go, let me go tonight Don't you let me go, let me go tonight
Don't you let me go, let me go tonight
Don't you let me go, let me go tonight Walk the surface of this town
With high heels above the ground
And high horses that we know
Keep us safe until the night We know them all, I know it all
Stay put and play along
'Cause I'm looking for my friend
Now I got you, got you Don't you let me go, let me go tonight
Don't you let me go, let me go tonight
Don't you let me go, let me go tonight Don't you let me go, let me go tonight
Don't you let me go, let me go tonight
Don't you let me go, let me go tonight I dry my eye, dry my eye
Falling deeper by the hour Dry my eye, dry my eye, dry my eye
Don't let me fall deeper now
Dry my eye Don't you let me go, let me go tonight
Don't you let me go, let me go tonight
Don't you let me go, let me go tonight Don't you let me go, let me go tonight
Don't you let me go, let me go tonight
Don't you let me go, let me go tonight Don't you let me go, let me go tonight
Don't you let me go, let me go tonight
Don't you let me go, let me go tonight Don't you let me go, let me go tonight
Don't you let me go, let me go tonight
Don't you let me go, let me go tonight
