

# Keep a Knockin'

## Little Richard

Keep a knockin' but you can't come in  
Keep a knockin' but you can't come in  
Keep a knockin' but you can't come in

Come back tomorrow night and try it again You said you love me and you can't come in  
You said you love me and you can't come in (wooooo)

You said you love me and you can't come in

Come back tomorrow night and try it again (woow) Keep a knockin' but you can't come in  
Keep a knockin' but you can't come in  
Keep a knockin' but you can't come in

Come back tomorrow night and try it again You said you love me and you can't come in  
You said you love me and you can't come in (wooooo)

You said you love me and you can't come in

Come back tomorrow night and try it again (woow) Keep a knockin' but you can't come in  
Keep a knockin' but you can't come in (wooo)  
Keep a knockin' but you can't come in

Come back tomorrow night and try it again You said you love me and you can't come in  
You said you love me and you can't come in  
You said you love me and you can't come in  
Come back tomorrow night and try it again (woow)
