Red Flag Day

U2

I am made of all that I'm afraid of
I'm most afraid of losing you
Hell's a season
You're the reason that I even dreamt of getting throughI, I can feel your body shaking
I, I will meet you where the waves are breakingBaby it's a Red Flag Day
Baby let's get in the water
Taken out by a wave
Where we've never been beforeBaby it's a Red Flag Day
Baby let's go a bit further
Paradise is a place
You can see when it's yours
Red Flag Day
Red Flag Day
Sun comes here and oceanic feeling
Sky will soon be clear
Today we can't afford to be afraid of what we fearI, I can feel your body shaking
I, I will meet you where the waves are breakingBaby it's a Red Flag Day
Baby let's get in the water
Taken out by a wave
Where we've never been beforeBaby it's a Red Flag Day
Baby let's go a bit further
Paradise is a place
You can see when it's yours
Red Flag Day
Baby it's a Red Flag Day
Red Flag Day
Not even news today
So many lost in the sea last night
One word that the sea can't say
Is no, no, no, noBaby it's a Red Flag Day
Red Flag Day
Baby it's a Red Flag Day
Baby let's get in the water
