

# Red Flag Day

U2

I am made of all that I'm afraid of  
I'm most afraid of losing you  
Hell's a season  
You're the reason that I even dreamt of getting through I, I can feel your body shaking  
I, I will meet you where the waves are breaking Baby it's a Red Flag Day  
Baby let's get in the water  
Taken out by a wave  
Where we've never been before Baby it's a Red Flag Day  
Baby let's go a bit further  
Paradise is a place  
You can see when it's yours  
Red Flag Day  
Red Flag Day  
Sun comes here and oceanic feeling  
Sky will soon be clear  
Today we can't afford to be afraid of what we fear I, I can feel your body shaking  
I, I will meet you where the waves are breaking Baby it's a Red Flag Day  
Baby let's get in the water  
Taken out by a wave  
Where we've never been before Baby it's a Red Flag Day  
Baby let's go a bit further  
Paradise is a place  
You can see when it's yours  
Red Flag Day  
Baby it's a Red Flag Day  
Red Flag Day  
Not even news today  
So many lost in the sea last night  
One word that the sea can't say  
Is no, no, no, no Baby it's a Red Flag Day  
Red Flag Day  
Baby it's a Red Flag Day  
Baby let's get in the water
