

# One Woman Man

[Josh Turner](#)

If you told me that you love me I would feel so proud  
If you'd let me hold you, honey, I'd holler out loud  
I'll never love another even if I can  
Oh, come to me, baby, I'm a one woman man  
Won't you let me, baby, just a kind of hang around?  
I'll always love you, honey, and I'll never let you down  
I'll never love another even if I can  
Oh, come to me, baby, I'm a one woman man  
I'd climb the highest mountain if it reached up to the sky  
To prove that I love you I'd jump off and fly  
I'd even swim the ocean from shore to shore  
To prove that I love you a little bit more  
Won't you let me, baby, just a kind of hang around?  
I'll always love you, honey, and I'll never let you down  
I'll never love another even if I can  
Oh, come to me, baby, I'm a one woman man  
If you told me that you love me I would feel so proud  
If you'd let me hold you, honey, I'd holler out loud  
I'll never love another even if I can  
Oh, come to me, baby, I'm a one woman man  
Won't you let me, baby, just a kind of hang around?  
I'll always love you, honey, and I'll never let you down  
I'll never love another even if I can  
Oh, come to me, baby, I'm a one woman man  
Come to me, baby, I'm a one woman man
