

# Wolf Pack

**Kid Thomas**

You've seen the world, what did it look like?  
You took a plane, I'll take a pushbike  
Run with the wolves, calling all the wolf pack  
When did you go and when did you get back?  
I don't even know you  
You're just someone new I don't want to talk to  
You're wild, I don't find you crazy at all  
You're on the rocks, would you like to get some?  
I'm kind of straight, where do you come from?  
I'm always right but what's your perception?  
I'm kind of shy, oh, didn't he mention?  
I don't even know you  
You're just someone new I don't want to talk to  
You're wild, I don't find you crazy at all  
I don't even know you  
You're just someone new I don't want to talk to  
You're wild, I don't find you crazy at all  
I don't even know you  
You're just someone new I don't want to talk to  
You're wild, I don't find you crazy at all
