Needles

Adema

To Live, Do you want to... Live!
Do you want to live?
Do you want to live?
Do you want to live?I know this girl with a needle in her eye
The red dragons fucking circles through her skull
16 dragons to appease the tracks upon her soul
Grip the shit twice a day, to shut out all the painI can't take it anymore
I can't take it anymore.
Take this needle from my vein
Take it from my vein
All I feel is pain
All I feel is pain
Distantly live
My blood stainsThe traps around me tell a tale, of what you heal and what you feel
Do you want to live? Do you want to live?
Take that needle, fly away, remove it from your eyes
Do you want to live? Well, do you want to live?I can't take it anymore
I can't take it anymore.
Take this needle from my vein
Take it from my vein
All I feel is pain
All I feel is pain
Distantly live
My blood stainsWhen it all comes down, your the one thing in your life
And you make the world that we hate inside
Everything, is crying on me, it's gone, I've been gone, your goneI can't take it anymore
I can't take it anymore.
Take this needle from my vein
Take it from my vein
All I feel is pain
All I feel is pain
Distantly live
My blood stainsWhy does everyone have answers, (problems)
Everybody has answers (problems)Problems
