

# The One Rose (That's Left In My Heart)

**Johnny Cash**

So blue, lonesome too but still true  
Rosie, haunts me, makes me think of you You're the one rose that's left in my heart, dear  
I love you, adore you, I do Each night in dreamland we wander along  
Telling love story anew When from a blue sky a black cloud came rolling  
Breaking my heart in two Oh, we ought not to part, I have said from the start  
You're the one rose that's left in my heart Oh, we ought not to part, I have said from the start  
You're the one rose that's left in my heart
