

Who's Got the Crack

The Moldy Peaches

Theres no such thing as a harmless joke

Theres no such thing as a gentle toke

Theres no such thing as panama jackWhos got the crack? Whos got the crack?

Whos got the crack? Whos got the crack?I am a goat in a moat with a boatWhos got the crack? Whos got the crack?

Whos got the crack? Whos got the crack?I like it when my hair is poofy

I like it when you slip me a roofy

I like it when you've got the crackWhos got the crack? Whos got the crack?

Whos got the crack? Whos got the crack?I wanna be a hippie but I forgot how to love

Its hard to be a garbage man when a sailor stole my glove

I wanna be reckless but Im feeling so uptight

Put your mama in a headlock baby and do it rightWhos got the crack? Whos got the crack?

Whos got the crack? Whos got the crack?

Whos got the crack?
