Lovers to Friends

Icona Pop

Remember those times
When we used to dance in the sheets
And you told me I was unique
Yeah, yeah
Was it night or was it day
Didn't care, always wanted me to stay
Bring it back to those daysLet's just do it one last time
Let me be the one to say goodbye
From lovers to friends
Cause everybody's breaking down
Let us walk to find that way around
We turn 'round the bend
From lovers to friendsI remember this fresh
How you may be impressed
Always out of control
But now I'm blushing my bestBeen running 'round in circles
This is supposed to be hurtful
I guess I'm not sensitive enough
I've been sippin' and I'm frisky
Trying to control me
But baby, I wanna be roughLet's just do it one last time
Let me be the one to say goodbye
From lovers to friends
Cause everybody's breaking down
Let us walk to find that way around
We turn 'round the days
From lovers to friendsOne last time
And you should know
I'm taking you
Off my handsOne last time
But you should know
It's time to go
So walk me homeLet's just do it one last time
Let me be the one to say goodbye
From lovers to friends
Cause everybody's breaking down
Let us walk to find that way around
We turn 'round the days

From lovers to friends
