

High on Love

Foghat

High on your love, just can't get enough
It's movin' too fast, makin' it last
You come to me at the right time
Mornin', noon and night timeNothing can stop me
When my baby rock meOoh baby, feel like makin' love to you
Ooh baby, well, I never knew
What your love can do, ohI'm high on love, I'm high on love
I'm high on your love
I'm high on love, I'm high on love
I'm high on your lovePlayin' with fire, heat rising higher
Love's got me burning, good things I'm learning
I ain't seen the sun in a long time
Love keeps runnin' through my mindNothing can save me
But the love that you gave meOoh baby, hold me tight, move it slow
Ooh baby, I can feel the flow
Baby, don't let go, noI'm high on love, I'm high on love
I'm high on your love
I'm high on love, I'm high on love
I'm high on your love, yeahOoh baby, hold me tight, move it slow
Ooh baby, I can feel the flow
Baby don't let go, no, noI'm high on love, I'm high on love
I'm high on your love
I'm high on love, I'm high on love
I'm high on your loveNothing can stop me
