

What Am I to You?

Norah Jones

What am I to you
Tell me darling true
To me you are the sea
Vast as you can be
And deep the shade of blue When you're feeling low
To whom else do you go?
See I cry if you hurt
I'd give you my last shirt
Because I love you so Now if my sky should fall
Would you even call?
I've opened up my heart
I never want to part
I'm giving you the ball When I look in your eyes
I can feel the butterflies
I will love you when you're blue
Tell me darlin' true
What am I to you? Now if my sky should fall
Would you even call?
I've opened up my heart
I never want to part
Giving you the ball When I look in your eyes
I can feel the butterflies
Could you find a love in me?
Would you carve me in a tree?
Don't fill my heart with lies I will you love when you're blue
Tell me darlin' true
What am I to you?
