

Worried Life Blues (Big Maceo Merriweather Cover)

The Animals

Oh Lord, Lordy Lord, it hurts me so bad for us to part
Someday baby, I ain't gonna worry my life no more You're on my mind every place I go
How much I love you, baby you'll never know
Someday baby, I ain't gonna worry my life no more So many mornings since you've been gone
I'm on my knees prayin' to you baby, please come back home
Someday baby, I ain't gonna worry my life no more, oh yeah I want you brown eyes, I want you till my days end
But I want you as a lover, you're no good to me as my friend
Someday baby, I ain't gonna worry my life no more, yeah
