

Time Together

Finn de SiÃ¢cle

We do everything together
Our names carved into a tree
 You and me forever
 For all eternity
We have fun times, we have dumb times
 We spend all of our time together
 We have tee times, you and me times
We spend all of our time together, together
 Ooo oooo, ooo oooo
 Ooo oooo, ooo oooo
 Ooo oooo, ooo oooo
 Ooo oooo, oooo oooo oooo oooo

 You and me, forever
The best things in life are free
 We do everything together
 Free things our specialty
I have you time, you have me time
 We spend all of our time together
In our free time, think of you and me time
We spend all of our time together, together
 Ooo oooo, ooo oooo
 Ooo oooo, ooo oooo
 Ooo oooo, ooo oooo
 Ooo oooo, oooo oooo
