Evergreen

BROODS

Lay by me, wrapped in evergreen
Catching stars to keep
Feel my quiver seizeSince we found out that we're invincible
We've been living in a dream world
Since we decided to be infinite
There's no ending and there's no fearI was filled
You made my bones still
Your eyes well with tears
We're alive, my dearSince we found out that we're invincible
We've been living in a dream world
Since we decided to be infinite
There's no ending and there's no fear(No fear, no fear, no fear)
(No, no, no, no, no fear)
We've been weak, we've been down
(No fear, no fear, no fear)
(No, no, no, no, no fear)
Kicked ourselves to the ground
(No fear, no fear, no fear)
(No, no, no, no, no fear)
Only lost to be found
You're my hero nowSince we found out that we're invincible
We've been living in a dream world
Since we decided to be infinite
There's no ending and there's no fear(No fear, no fear, no fear)
Ahh
(No, no, no, no, no fear)
Ahh
(No fear, no fear, no fear)
(No, no, no, no, no fear)
Ahh
(No fear, no fear, no fear)
(No, no, no, no, no fear)
Ahh
