

Gonna Breakthrough (featuring Brook)

Mary J. Blige

If you've been stressin' you've been hurtin' it's gonna be alright
I know times get so hard that you can cry but not tonight
I know just what you came for get up up on the dance floor
Or where ever you are while the DJ's breakin' it down[Chorus]
Ain't no telling what we're gonna do
But I'm gonna breakthrough and take you
And take you where it feels so good
Ain't no telling what we're gonna do
But I'm gonna breakthrough and take you
And take you where it feels so good All I wanna do is get in touch with you
To be real how you feel
Everybody goes through things sometimes
So let your mind just be free
Anything you wanna be, be
But whatever you do let this music get to you (get to you)[Chorus]
Ain't no telling what we're gonna do
But I'm gonna breakthrough and take you
And take you where it feels so good
Ain't no telling what we're gonna do
But I'm gonna breakthrough and take you
And take you where it feels so good We gonna tear it up (we gonna tear it up)
All night listen till the morning light
Something that's gonna sooth your mind
Its gonna sooth your mind and make you feel so good
Baby let your body free (body be anything you wanna be)
Just let go and you will see[Rap]
Check it out
Its time to break through MJ gonna take you there
Get your hands in the air and get you a three step
'Lil somethin for the clubs and it feels so hood
Got the whole world sayin how she still so good
It's a gift god given I'm a ribbon in the sky
So fly I'm a ride like the queen I am
Pay homage mike check one, two one, two
Pop bottles get it crunk that's what we came to do
Get your back off the wall cause united we stand together
We ball everybody up on the floor
Like de de ne de de ne de de ne
Get your ass on the floor lets go[Chorus]

Ain't no telling what we're gonna do
But I'm gonna breakthrough and take you
And take you where it feels so good
Ain't no telling what we're gonna do
But I'm gonna breakthrough and take you
And take you where it feels so good[Chorus]
Ain't no telling what we're gonna do
But I'm gonna breakthrough and take you
And take you where it feels so good
Ain't no telling what we're gonna do
But I'm gonna breakthrough and take you
And take you where it feels so good
