Keep on Dancin' (Short Edit)

Magnus Carlsson

Im gonna take you away
Cause Ill keep on dancing
I keep on dancing
Im gonna take you away
Cause I keep on dancingGotta change my battery
Im getting out in the dark
But I can see you
Gonna chase my fantasy
Im looking out for a spark
Cause Ill keep on dancing
Until the end of time
Im gonna take you away
And Ill keep on crashing
Until the day youre mine
And prove that I am here to stay
Cause Ill keep on dancing
Were wasting precious time
Im gonna make it okay
And Ill keep on rocking
My moves will make you shine
Dont save me for another daySlowing down is impossible
Ive gotta keep up the pace
So I can feel you
What you do is incredible
Got my hand round your waist
Cause Ill keep on dancing
Until the end of time
Im gonna take you away
And Ill keep on crashing
Until the day youre mine
And prove that I am here to stay
Cause Ill keep on dancing
Were wasting precious time
Im gonna make it okay
And Ill keep on rocking
My moves will make you shine
Dont save me for another dayKeep on dancing
(Ill keep on dancing until the end of time)
Keep on dancing

(Ill keep on crashing until the day youre mine)
Another day
(Ill keep on dancing, were wasting precious time
Ill keep on rocking, my moves will make you shine)Keep on, keep on, keep on
Keep on dancing
Keep on, keep on, keep on
Keep on dancing
Keep on, keep on, keep on
Keep on dancing
Keep on, keep on, keep on
Keep on dancingCause Ill keep on dancing
Until the end of time
Im gonna take you away
And Ill keep on crashing
Until the day youre mine
And prove that I am here to stay
Cause Ill keep on dancing
Until the end of time
Im gonna take you away
And Ill keep on crashing
Until the day youre mine
And prove that I am here to stay
Cause Ill keep on dancing
Were wasting precious time
Im gonna make it okay
And Ill keep on rocking
My moves will make you shine
Dont save me for another dayKeep on dancing
Cause Ill keep on dancing
Cause Ill keep on dancing
Cause Ill keep on dancing
Cause Ill keep on dancing
Save me for another day
