

I Don't Care (If Tomorrow Never Comes) (Show 10)

[Hank Williams](#)

I don't care if tomorrow never comes
This world holds nothing for me
I've been lonely night and day ever since you went away
So I don't care if tomorrow never comes If tomorrow never comes
And the sun don't ever shine, it won't matter with me
For when she ran away my world ended that day
So I don't care if tomorrow never comes My lonely mind wonders back to days that used to be
My broken heart cries out for you
Oh if I can't have you here I can't go on my dear
So I don't care if tomorrow never comes If tomorrow never comes
And the sun don't ever shine, it won't matter with me
For when she ran away my world ended that day
So I don't care if tomorrow never comes
