

I Want You

The Kooks

Take me back to the place where I
Loved that girl for all time
Why must life just take away
Every good thing one at a time

I want it back
Well yes I want it back
Yes I want you back
Please give it me back
'Cause I want your love

How can I not even cry?
For such a big thing in my life
The pain it takes a part of me
Turn around and say good bye

I want it back
Well yes I want it back
Yes I want you back
Please give it me back
'Cause I want you

How do you do it females?
It's always you do it angels
You always keep me on the run
So how do you do it angels?
Always you do it females
You always keep me on the run

I want it back
Well yes I want it back
Yes I want you back
Please give it me back
'Cause I want your love
But I can't let myself love you
