

Arrows

Vampire Weekend

I saw you
Down at the station
Your leather suitcase
Burst at the seams
Stay all day
Up in your rooms now
That's not a problem
You've ever seen

Fall on your knees
Wasting your arrows
You found
You've walked
Along these halls

I awoke
Up in a bedroom
You've gone up
Hunting
I was asleep
Spend my day
Out at the fountain
That's not a problem
You've had foreseen

Fall on your knees
Wasting your arrows
You found
You've walked
Along these halls

Fall on your knees
Wasting your arrows
You found
You've walked
Along these halls

Oh, it's no use
At all
But that line

In the church
Could still remain
