Pissin' In The Wind

Jerry Jeff Walker

[Chorus]
Pissin' in the wind, bettin' on a losing friend
Makin' the same mistakes, we swore we'd never make again
And we're pissin' in the wind, but it's blowing on all our friends
We're gonna sit and grin and tell our grandchildrenAbout the time I called this Guy it was four in the morning
Teach me the words to the song I was hummingHe just laughed and he said that the ole grey cat is sneakin' down the hall
But all he wants to know is who in the hell is paying for the call[Chorus]Now this Nunn called me up, it was eight in the morning
Wanted to know how in the world am I doin'
He just laughed and he said get together boy, and fall on by the house
Some Gonzo buddies would like to play anything your's picking now[Chorus]Now we worked and we suffered and struggled
Makin' our record till we got it right
Now we're waiting on the check to come sneaking down the hall
Like that old time feeling
That we never should have ever put the record out at all[Chorus]That the answer my friend is just pissin' in the wind
The answer is pissin' in the sink
