

# DMT Song (FlyGoon Remix)

## Flying Lotus

I can take you  
To a world where you can spread your wings  
And fly  
Away Patterned grid world  
It waits where you and it have always  
Been there from  
The start Maybe you and me are not so different  
Different (different) Maybe I will see your world in full  
DMT (DMT) As I'm dreaming  
Wide awake, my body never leaves  
The floor I never  
Want to come back, I belong where I am
