

# Miss Louisiana (acoustic)

## Terminal

I've been twice on the highway  
Back to Texas, with heaven behind me  
And it's a shame on our anniversary  
We've nothing left to celebrate  
Darling, I can't replace you  
I have to keep on moving  
Or I get lost in all I'm losing  
I stay, drifting through my head  
With the static you left  
Give me closure  
It's all I want from you
