Jeffree Star, Internet Royalty.. You all love me.
Celebrities want me to do there hair and makeup
Girls hate me 'cause I'm the cause of there breakup
Diamond fingernails and 8 inch heels
Niggaz on death row request me for their last meals
Boys fess up..
Girls fess up..
All coked up..
WE WANT CUNT
Boys fess up..
Girls fess up..
Actin' like sluts
WE WANT CUNT
Asian tourists scream when I walk down the street
They worship me like Jesus, praying at my feet
Flashin' all their cameras taking pictures of me
Going to their surgeons, saying "Make me look like Jeffree!!"
I love dick like Anna-Nicole loves Trimspa
Applying my lipstick while wearing JonBenet's training bra
Pink like my pussy, hot like Ted Bundy
Ass up 'cause ya miss me, bitch betta have my money
Boys fess up..
Girls fess up..
All coked up..
WE WANT CUNT
Boys fess up..
Girls fess up..
Actin' like sluts

WE WANT CUNT
All you dirty scene boys, you love Jeffree Star
I see you lookin' at my pictures, your dick's gettin' hard
Go fix your hair, make sure the flatirons hot
Pull down your 7 jeans and show me that motherfuckin' cock
Am I a boy or a girl? Well you'll never know..
I'm not doin' your makeup, filthy pre-teen hoe
Spread 'em, forget 'em and then same my name..
I'm Jeffree Fuckin' Star, of internet fame

Boys fess up..

All coked up..
