

# Just The Other Side Of Nowhere

[John Prine](#)

I come from just the other side of nowhere to this big time lonesome town  
They got a lotta ice and snow here half as cold as all the people I found  
Every way I've tried to go here seems to bring me down  
And I seen about enough to know where I belong  
I've got a mind to see the headlight  
Shinin' on that old white line between my heart and home  
Sick of spendin' Sundays wishing they were Mondays sittin' in a park alone  
So give my best to anyone who's left who's ever done me any lovin' way but wrong  
And tell 'em that the pride of just the other side of nowhere's going home

Taking nothing back to show there for these dues that I've paid  
But the soul I almost sold here and the body I've been given away  
Fadin' from the neon night time glow here headin' for the light of day  
Just the other side of nowhere's going home  
I've got a mind to see the headlight...
