Risque (Album Version)

[Cute Is What We Aim For](#)

I got birds in my ears
And a devil on my shoulder
And a phone to the other
And I can't get a hold of her
And what's a crush to do?
What's a crush to do when he can't get through?Medically speaking you're adorable
And from what I hear you're quite affordable
But I like them pricey
So exaggerate and t-t-t-t-t-t-trick me
Pretty please, just trick me
Pretty pleaseI got birds in my ears
And a devil on my shoulder
And a phone to the other
And I can't get a hold of her
And what's a crush to do
What's a crush to do when he can't get, through?I'm obsessed and stressed with this mess
I can't think of things
To write down
To type down
And these fingertips are moving faster than these lips
So you can only imagine how jealous my mouth is
So you can only imagine how jealous my mouth isI got birds in my ears
And a devil on my shoulder
And a phone to the other
And I can't get a hold of her
And what's a crush to do
What's a crush to do?
What's a crush to do?I got birds in my ears
And a devil on my shoulder
And what's a crush,
And what's a crush to do?Yeah (yeah)
Yeah
Oh
I turn on a dime, spin me around
So you can shine, shine right now
We'll even have a crowd
We'll make this purchase countMedically speaking you're adorable
And from what I hear you're quite affordable
But I like them pricey

So exaggerate and t-t-t-t-t-t-trick meI got birds in my ears
And a devil on my shoulder
And what's a crush to do?
And what's a crush to do?I got birds in my ears (I got birds in my ears)
And a devil on my shoulder (And a devil on my shoulder)
And what's a crush to do
When he can't get through, when he can't get a hold of her?What's a crush, what's a crush to do?
