Added to their thirteen colonies  
Tennessee, Vermont, Kentucky  
Louisiana and Ohio, Mississippi, Indiana  
Alabama, Maine, Missouri Added Arkansas and Michigan added Florida and Texas  
And in Texas five thousand men under Santa Anna  
Had crossed the Rio Grande headed for San Antonio  
David Crockett left Tennessee with the volunteers headed for San Antonio At a Spanish mission near San  
Antonio they met a knife-fighter  
And a gambler named Jim Bowie and a Britisher named Travis  
A hundred and eighty Americans against five thousand to the death
