Unbreakable

Sabaton

It's under crimson skies hell's horizon
Our trap will spring
Unaware of our presence they'll be marching
Straight to their doomWe are prepared for war ready to fire
Stand by to charge
Counting down as they march into destruction
Their time has comeThey'll never know we give no warning
We set a trap they took the bait
Leading them straight into hellThey will not live to tell the tale
We'll strike at dusk and fight 'til dawn
Tonight our foe is bound to fail
Our time is now all ready at armsUpon our chosen ground dead men marching
No sign of hope
Victory will be ours before the dawn breaks
Tonight we chargeChaos and disorder sound of the attack
Charging down the mountain frontal assault
Guns light up the darkness mortars rip the ground
Like a force of nature shaking the fieldThey'll never know we give no warning
We set a trap they took the bait
Cut off retreatReleased
Unleashed
The beast within berserker rage is
Released
Unleashed
A storm a force unbreakable warmachineVictims of the ambush
Stains the ground with blood
Fields of execution murderous plan
Soldiers turn to madmen in the dead of night
Fighting with a fury fiery eyes
