

Jesus Girl

Sweetback

She's incapable
Of being cruel
She'll show you more than
You'd learn in school
Insatiable...
You've met your match
Water falls
Down her back

Chorus:
Flesh is blessed
And I can tell
Jesus, girl, you wear it well
Pleasure, pain it's all the same
And sweeter when you Scream my name
From the moon into the sea
Fill me up and set me free
Jesus, girl, you're part of me
Jesus! Girl

The sweetest light
You burn to glow
Can't hold back
Let it go
The heavens break and
Don't you stop
Don't you waste
A single drop

Chorus 2:
Flesh is blessed
And I can tell
Jesus, girl, you wear it well
Pleasure, pain it's all the same
And sweeter when you Scream my name
From the moon into the sea
You fill me up and set me free
Jesus, girl, you're part of me

Jesus! Girl

chorus 3:

Flesh is blessed

And I can tell

Jesus, girl, you wear it well

Pleasure, pain it's all the same

And sweeter when you Scream my name

From the moon into the sea

You fill me up and let me be

Jesus, girl, you're part of me

Yeah, you're a part of me

[ad libs of chorus repeat 'til end]

Flesh is blessed

And I can tell

Jesus! Girl, you wear it well

Pleasure, pain it's all the same

(ahh all the same)

From the moon into the sea

(From the moon into the sea)

Jesus, girl, you're part of me

Part ow! (ad lib)

It's all the same

You set me up

You set me free

Jesus! Girl, you're part of me

Flesh is blessed

And I can tell

Pleasure, pain it's all the same

(all of the same)

From the moon into the sea

You set me up and let me be

Jesus, girl, you're part of me

Jesus, girl, you're part of me
