

Rude Boys

Toian

Good girls like Rude Boys
Shoulda listen what mama say
You will get your heart destroyed
But i just can't stay away
Cause good girls like Rude Boys
No we're not afraid
Love living life in the fast lane
No i just cant stay away

And mi say some of them come and some of them go
Something about you i want and i know
Mama says you're no good for me
She don't understand what it is that i see
in You -oh-oh
Oh in You -oh-ohh
In You -Oh-Oh
Oh In You - Oh-Oh
She only see the fast cars and the fast life, we a live life
We a roll up when we roll up
Oh Yeah-eah-eah
Oh Yeah-eah-eah

Good girls like Rude Boys
Shoulda listen what mama say
You will get your heart destroyed
But i just can't stay away
Cause good girls like Rude Boys
No we're not afraid
Love living life in the fast lane
No i just cant stay away

The ragamuffin ah di one and mi nuh haffi ask
And from the day mi buck him up him have me in a trance
Him seh him waan fi love me up so mi give him a chance
Rude Boy you ah di one the only one i put my trust
in You -oh-oh
Oh in You -oh-ohh
In You -Oh-Oh
Oh In You - Oh-Oh

He's my type nah think twice
Cause i was so low being solo
Oh Yeah-eah-eah
Oh Yeah-eah-eah

Good girls like Rude Boys
Shoulda listen what mama say
You will get your heart destroyed
But i just can't stay away
Cause good girls like Rude Boys
No we're not afraid
Love living life in the fast lane
No i just cant stay away

Oh mama
Im sorry I'm in love
with the wrong kind of man
I hope you understand
This love is wicked and bad

Good girls like Rude Boys
Shoulda listen what mama say
You will get your heart destroyed
But i just can't stay away
Cause good girls like Rude Boys
No we're not afraid
Love living life in the fast lane
No i just cant stay away
