Crimestopper

Bombshell Rocks

Got eight hours till the coming sunrise
Till another day of artificial grace
Oh, in my mind I'm chasing bad guys
Through empty streets and dark alleywaysI'm a crimestopper, a good copper
(Crimestopper, good copper)
I kick the doors in
Bad against good in my neighborhood
Stand aside and watch it all beginI'm a crimestopper, a good copper
(Crimestopper, good copper)
I kick the doors in
Bad against good in my neighborhood
Stand aside and watch it all begin, goPolice car howls in the distance
The city sleeps but I'm wide awake
Well, I don't know where the world is going
Listen up, step on the breaksI'm a crimestopper, a good copper
(Crimestopper, good copper)
I kick the doors in
Bad against good in my neighborhood
Stand aside and watch it all beginI'm a crimestopper, a good copper
(Crimestopper, good copper)
I kick the doors in
Bad against good in my neighborhood
Stand aside and watch it all beginI'm out there
Midnight hour, I'm feeling tense
Yeah, I'm out there
Fighting the edge of broken scene
