Cyclops Revolution

Cathedral

Beware the one-eyed titan
He's coming to take you away
He lost his soul within your mind
Yeah, he's given his power to you
Deadly laser from the monster
Turning politicians into stoneCyclops revolution
Earth children arise
Transformation for final flight
Justice in our handsClouds gather on damnation
Evil ones pay the price
Into heart of vampire empire
Strike crystal lightning bolts
Growing sun has fallen
We no longer need to seeCyclops revolution
Earth children arise
Transformation for final flight
Justice in our handsI am cyclops, I've got my eye on you
You wanna turn to stone, look me in the eyeI am cyclops, beware doomed nation
I stare at you, prepare to dieCyclops revolution
Earth children arise
Transformation for final flight
Justice in our handsBeware the one-eyed titan
You've let him to take you away
Morality is eaten whole
The cannibal takes control
Deadly laser from the master
Thunderous triumphant roarNo doubt
These cyclops
Cyclops
