Statue

Bonnie Banane

Yeah...

When I start thinking about you
I can't stop, I can't
I can't stop thinking about you, baby

What we had
Why it ended
You got dust in your ass

I'm probably the best you ever had
I'm probably the best you ever had
I'm probably the best you ever had

I'm probably the best you ever had

All the fun we had
All the lies you said
(???)

All the doubts
All the (?)
Did someone (???)

All the (?) you said
All the shame I felt
That funny day when you betrayed me so nasty

How you gonna live with that
(???)
How you gonna miss me now
(???)

(???)
(???)
(???)
(???)

Your ashes
Your ashes

Your ass is gone
Your ashes

Your ashes
???

I'm probably the best you ever had
I'm probably the best you ever had

I'm probably the best best best
Probably the best best best
Probably the best best best
Probably the best best best

I'm not sure
But I'm probably the best

Ah
And so, we're gonna bump each other on the street
And you won't recognize me
You will be like

Is that you looking like a statue?
Is that you looking like a statue?
I'm bewitched
Is that you looking like a statue?
I'm bewitched
I'm bewitched

I'm looking like a statue
While you're passing by me
I'm looking like a statue
While you're passing by me
