

Crash

House of Heroes

Lemme crash right here tonight
Lemme lay low here till the heat goes by
Don't you want me here tonight?
Don't you wanna help me?
Lemme sober up here tonight
In the morning we'll head for the northern line
Don't you want a fresh start tonight?
Don't you want me baby?
It isn't love you'll find
When you run and hide
And that's why I can't let you stay tonight
You know I heard about your other man
My punk cousin with the silver spoon in his hand
You know if it was any other man
I'd fill his lungs with concrete
I'm gonna burn it all down tonight
Last chance if you wanna be by my side
I'm gonna finish it off tonight
I want you standing with me
The love you're for is a settled score
And that's why I can't love you anymore
The love you're for is a settled score
And that's why I don't love you anymore
