Have You Forgotten

Darryl Worley

I hear people saying we don't need this war
I say there's some things worth fighting for
What about our freedom and this piece of ground
We didn't get to keep 'em by backing down
They say we don't realize the mess we're getting in
Before you start your preaching
Let me ask you this my friendHave you forgotten how it felt that day
To see your homeland under fire
And her people blown away
Have you forgotten when those towers fell
We had neighbors still inside
Going through a living hell
And you say we shouldn't worry 'bout Bin Laden
Have you forgottenThey took all the footage off my TV
Said it's too disturbing for you and me
It'll just breed anger that's what the experts say
If it was up to me I'd show it everyday
Some say this country's just out looking for a fight
After 9/11 man I'd have to say that's rightHave you forgotten how it felt that day
To see your homeland under fire
And her people blown away
Have you forgotten when those towers fell
We had neighbors still inside
Going through a living hell
And you say we shouldn't worry 'bout Bin Laden
Have you forgottenI've been there with the soldiers
Who've gone away to war
And you can bet that they remember
Just what they're fighting forHave you forgotten all the people killed
Some went down like heros in that Pennsylvania field
Have you forgotten about our Pentagon
All the loved ones that we lost
And those left to carry on
Don't you tell me not to worry about Bin Laden
Have you forgottenHave you forgotten
Have you forgotten
