Do the Bambi

Stereo Total

You're so pretty
And I missed you all the time
Do the Bambi
Come back and be mineI was just laying around
Night and day, dreaming of you
I felt so sad and down
Without youI will not do you wrong
Anymore I promise
You've been gone so long
Let's be friends, pleaseYou broke my heart in two
I didn't know what to do
But after all these tears
Now I know it clear
B.A.M.B.I.D.O.
Do the Bambi...I missed you so much
Only waiting for you
So young and so cruel
You broke my heart in twoI didn't know where you were
I was here like in prison
Now I'm a nervous wreck
So come and calm me downI'll be a gentle girl
No lies anymore
No games, no bad words
I'll be like never beforeYou broke my heart in two
I didn't know what to do
But after all these tears
Now I know it clear
B.A.M.B.I.D.O.
Do the Bambi...You're so pretty
And I missed you all the time
Do the BambiI felt so sad and down
Without youI will not do you wrong...You broke my heart in two...B.A.M.B.I.D.O.
Do the Bambi...
