

The Girls and the Dogs

Scott Walker

The girls
Are as fast as a game
Are as bright as a flame
And you're always to blameThe girls
Are as pink as the light
And as dark as the night
And they're always rightThe girls
Are as cold as the sphinx
Always dreaming of minks
They drive you to drinkThe girls
Are as soft as a sigh
That whispers good-bye
And leaves you to cryBut the dogs
Well, they're only dogs
Just wagging their tails
As they watch it endOh, the dogs
Well, they're only dogs
And maybe that's why
They're man's best friendThe girls
Can make you feel cold
Can make you feel old
An antique to be soldThe girls
They play with your heart
They tear you apart
You're never too smartThe girls
They throw you from towers
They'll whip you with flowers
It depends on the hoursThe girls
Will treat you like trash
Or let you be brash
It depends on your cashBut the dogs
Don't depend on a thing
They just lick your face
When they see it endOh, the dogs
Don't depend on a thing
And maybe that's why
They're man's best friendThe girls
You know that they are vain
They will poison your brain

They will drive you insaneThe girls
Will laugh at your jokes
How they love the coat on (???)
But it is all a hoaxThe girls
Are still making dates
they still making you wait
and they say you are lateThe girls
Are yours for a throw (?)
At least you think so
Ah but you will never knowThe dogs
Well you know the dogs
They lift up a leg
As they see it endThe dogs
Well you know the dogs
And maybe that's why
They're man's best friend
____The girls
They're not what they seem
They all have a scheme
They call it a dreamThe girls
Are as hot as they please
And you're down on your knees
With the greatest of easeThe girls
Say you're on the right track
Then they take it all back
Tie it up in a sackThe girls
They will give it of course
But they give with such force
That it gives you remorseBut the dogs
They give nothing at all
They just lift a leg
As they watch it endOh, the dogs
They give nothing at all
And that's the reason why
They're man's best friendAnd yet it's because of the girls
When they've knocked us about
And our tears want to shout
That we kick the dogs out
