

# Peter Pan

## Passatiges

Hey, Peter Pan  
I'm going home now  
I've done all I can  
Besides I'm grown now  
I'll think of you  
All painted with the night  
You sit and watch from somewhere  
As one by one the lights go out  
I wrote a note  
To tell you how you matter  
When the rain came down  
All the letters scattered  
And washed away  
Drifted off to never  
Where you'll be safe  
From me now forever  
I believe you now when  
You say that this will hurt  
So I don't have to go and  
Play with you in the dirt now  
Hey, Peter Pan  
I'm going home now  
I'm all grown up  
Your on your own now  
I'll think of you  
All painted with the night  
You sit and watch from somewhere  
As one by one the lights goes, go out
