

Rope Burn

Janet Jackson

Tie me up tie me down
Make me moan real loud
Take off my clothes
No one has to know
Whisperin'
I wanna feel a soft rope burn
Wanna feel a rope burn When you walked into the room
You knew just what to do
You could have gone from door to door
But you knew just where to go to
Come into my velvet rope
And tell me fantasies The passion in your voice I wanna hear
As you start to tell me
While you're at it take the blind fold
Tie it gently on me
Don't wanna see but feel the things
You're gonna do to me Tie me up tie me down
Make me moan real loud
Take off my clothes
No one has to know
Whisperin'
I wanna feel a soft rope burn
Wanna feel a rope burn One in the mornin'
I'm feelin' so free and sensual
Lyin' here wearin'
Just my imagination for you
Sensation will do
Can you feel the warmth of the
Candlelight embrace your body?
I'm feelin' the hot candle wax
Drippin' down the small of my back Tie me up tie me down
Make me moan real loud
Take off my clothes
No one has to know
Whisperin'
I wanna feel a soft rope burn
Wanna feel a Tie me up tie me down
Make me moan real loud
Take off my clothes

No one has to know
Whisperin'
I wanna feel a soft rope burn
Wanna feel a rope burn
