

Girls Chase Boys

Ingrid Michaelson

All the broken hearts in the world still beat
Lets not make it harder than it has to be
Ooooooh it's all the same thing
Girls chase boys chase girlsAll the broken hearts in the world still beat
Lets not make it harder than it has to be
Ooooooh it's all the same thing
Girls chase boys chase girlsI'm a little let down, but I'm not dead
There's a little bit more that has to be said (Oh oooh)
You play me, now I play you too
Lets just call it overAll the broken hearts in the world still beat
Lets not make it harder than it has to be
Ooooooh its all the same thing
Girls chase boys chase girlsAll the broken hearts in the world still beat
Lets not make it harder than it has to be
Ooooooh its all the same thing
Girls chase boys chase girls
Chase girls chase boys chase boys chase girlsIm a little bit home, but I'm not there yet
Its one to forgive but its hard to forget
Don't call me, I won't call you, too
Lets just call it overAll the broken hearts in the world still beat
Lets not make it harder than it has to be
Ooooooh it's all the same thing
Girls chase boys chase girlsAll the broken hearts in the world still beat
Lets not make it harder than it has to be
Ooooooh it's all the same thing
Girls chase boys chase girls
Chase girls chase boys chase boys chase girlsI got two hands, one beating heart
And I'll be alright, I'm gonna be alrightYeah I got two hands, one beating heart
And I'll be alright,
Gonna be alrightAll the broken hearts in the world still beat
Lets not make it harder than it has to be
Ooooooh it's all the same thing
Girls chase boys chase girlsAll the broken hearts in the world still beat
Lets not make it harder than it has to be
Ooooooh it's all the same thing
Girls chase boys chase girlsAll the broken hearts in the world still beat
Lets not make it harder than it has to be
Ooooooh it's all the same thing
Girls chase boys chase girlsAll the broken hearts in the world still beat

Lets not make it harder than it has to be
Ooooooh it's all the same thing
Girls chase boys chase girlsOoooooh it's all the same thing
Girls chase boys chase girls
