Girls Chase Boys

Ingrid Michaelson

All the broken hearts in the world still beat

Lets not make it harder than it has to be

Ooooooh it's all the same thing

Girls chase boys chase girls All the broken hearts in the world still beat

Lets not make it harder than it has to be

Ooooooh it's all the same thing

Girls chase boys chase girlsI'm a little let down, but I'm not dead

There's a little bit more that has to be said (Oh oooh)

You play me, now I play you too

Lets just call it overAll the broken hearts in the world still beat

Lets not make it harder than it has to be

Oooooh its all the same thing

Girls chase boys chase girls All the broken hearts in the world still beat

Lets not make it harder than it has to be

Oooooh its all the same thing

Girls chase boys chase girls

Chase girls chase boys chase girlsIm a little bit home, but I'm not there yet

Its one to forgive but its hard to forget

Don't call me, I won't call you, too

Lets just call it over All the broken hearts in the world still beat

Lets not make it harder than it has to be

Oooooh it's all the same thing

Girls chase boys chase girls All the broken hearts in the world still beat

Lets not make it harder than it has to be

Oooooh it's all the same thing

Girls chase boys chase girls

Chase girls chase boys chase girls I got two hands, one beating heart

And I'll be alright, I'm gonna be alrightYeah I got two hands, one beating heart

And I'll be alright,

Gonna be alrightAll the broken hearts in the world still beat

Lets not make it harder than it has to be

Oooooh it's all the same thing

Girls chase boys chase girls All the broken hearts in the world still beat

Lets not make it harder than it has to be

Oooooh it's all the same thing

Girls chase boys chase girlsAll the broken hearts in the world still beat

Lets not make it harder than it has to be

Oooooh it's all the same thing

Girls chase boys chase girlsAll the broken hearts in the world still beat

Lets not make it harder than it has to be Oooooh it's all the same thing Girls chase boys chase girlsOooooh it's all the same thing Girls chase boys chase girls
