

# So Little Kindness

## Huey Lewis & The News

I can't believe it after so long  
How can the memories really be gone  
Now I don't deny it's over  
But why must you be so cold  
I can't believe it So little kindness  
Yeah baby that's too bad  
Saw you this evening out on the town  
You went outta your way just to put me down  
Now why got this chip on your shoulder  
When I don't even love you no more  
I can't believe it So little kindness  
Baby it's sad  
'cause we can't even talk about the little things  
After this love we had  
So little kindness  
Baby that's too bad  
So sad child child Don't worry baby  
I'm not gonna stand in your way  
Now that it's gone  
Our love is strong  
No matter what you say So little kindness  
You're so blind  
That you can't even recognize a real thing  
When it was yours and mine  
So little kindness  
After all this time So little kindness  
Baby it's sad  
'Cause we can't even talk about anything  
After what we once had  
So little kindness  
So little kindness  
So little kindness  
I'm looking for some kindness  
I need some kindness  
Can I just have some kindness  
Give me some kindness
