

My Evil Friend

PRIME Sth

This could be the end of something new
Erasing all the lies that I thought were true
The pain I have inside was just for me
The day I tried to live I could not breathe And I feel that I'm about to lose this game again
Could this be the end? I want to be inside this mystery
Deleted by the files of sympathy
The dream I have inside can't be for real
The dream I have inside is so surreal And I feel like I'm about to lose this game again
To the enemy in me, my evil friend
And I feel that I'm about to lose this game again
So could this be the end? This could be the end of something new And I feel that I'm about to lose this game
again
To the enemy in me, my evil friend
And I feel that I'm about to lose this game again
So could this be the end?
