

After the Glitter Fades

Stevie Nicks

Well I never thought I'd make it here in Hollywood

I never thought I'd ever want to stay

What I seem to touch these days has turned to gold

What I seem to want well you know I'll find a wayFor me, it's the only life that I've ever known

And love is only one, fine star away

Even though the living is sometimes laced with lies

It's alright, feeling remains even after the glitter fadesThe loneliness of a one night stand is hard to take

We all chase something and maybe this is a dream

The timeless face of a rock and roll woman, while her heart breaks

Oh you know the dream keeps coming even when you forget to feelFor me, it's the only life that I've ever known
known

And love is only one fine star away

Even though the living is sometimes laced with lies

It's alright, feeling remains even after the glitter fadesFor me, it's the only life that I've ever known

And love is only one fine star away

Even though the living is sometimes laced with lies

It's alright, feeling remains even after the glitter fadesOh you know, the feeling remains even after the glitter
fades

Oh the feeling remains even after the glitter fades
