

The Only One

Lyn Saga

You know you're the only one
That I will ever love
You say all the perfect words
I adore you

Cause when you walk into a room
The eyes are all on you
I feel as if I'm burning inside too

(Cause you swept me off my feet
You know that it's true
The moment I saw you
You spun me round and round
And all I can see
Is you're the only one for me)

You know what I'd do for you
Anything you'd ask me to
Put my makeup on the shelf
And laugh for nobody else

Cause I write these songs for you
Even though they're out of tune
And there's nothing I can do now to reach you

(chorus)

(guitar solo)

(arpeggio chorus)

(chorus)
