

# Beneath the Remains

[unknown]

In the middle of a war that was not started by me  
Deep depression of the nuclear remains  
I've never thought of, I've never thought about  
This happening to me

Proliferations of ignorance  
Orders that stand to destroy  
Battlefields and slaughter  
Now they mean my home and my work

Who has won?  
Who has died?  
Beneath the remains  
Cities in ruins

Bodies packed on minefields  
Neurotic game of life and death  
Now I can feel the end  
Premonition about my final hour

A sad image of everything  
Everything's so real  
Who has won?  
Who has died?

Everything happened so quickly.  
I felt I was about to leave hell  
I'll fight for myself, for you, but so what?  
To feel a deep hate

To feel scared  
But beyond that, to wish being at an end  
Clotted blood  
Mass mutilation

Hope for the future is only utopia  
Mortality, insanity, fatality  
You'll never want to feel what I've felt  
Mediocrity, brutality, and falsity

It's just a world against me  
Cities in ruins  
Bodies packed on minefields  
Neurotic game of life and death

Now I can feel the end  
Premonition about my final hour  
A sad image of everything  
Everything's so real

Who has won?  
Who has died?  
Beneath the remains
